**Allen Wollard Named President of Revolution Records**

*Music industry veteran to lead new company as it prepares for the future*

**Beverly Hills, CA — October 13, 2026** — Revolution Music Group, a multi-national entertainment conglomerate, today announced that Allen Wollard has been named President of Revolution Records, the company's newly formed recorded music division.

In this role, Mr. Wollard will oversee all aspects of the record label's operations, including artist and repertoire, marketing, and business strategy. "Mr. Wollard is exactly the type of leader we need at this time for Revolution Records," said Raymond Davis, COO of RMG. "He has a rare combination of creative instinct and business acumen, along with a track record of building projects that don't just perform — they last. We're thrilled to have him lead the Revolution." added RMG CFO Frank Bickhart.

Mr. Wollard joins Revolution Records with years of experience in the entertainment industry having held Executive leadership roles at Sunshine Entertainment and The Wright Group as well as Director roles at the multi-award winning Silver Wave Records and the highly successful UMG boutique label Garden City Music. Throughout his career, Mr. Wollard has built a reputation as an asset-focused executive who prioritizes long-term career development over short-term wins.

"It's a privilege to step into this role at the dawn of an era that will bring Revolution Records to life" said Mr. Wollard. "This is a venture with a clear mission — to give artists a real creative partnership opportunity with the platform to build lasting careers and develop long term success. I'm eager to bring together a team that shares that vision, and to start building a roster that reflects the diversity and energy of where music is headed."

Mr. Wollard's appointment reflects RMG's further dedication and continued confidence in Revolution Records as a cornerstone of its long-term growth strategy.
